## Valves

Safety, Safety Relief, and Pilot Operated Valves  
ASME Section I and Section VIII

POWER BALL - Metal Seated Ball Valves  
Gate, Globe and Check Valves  
ASME Classes 150-4500

Severe Duty and General Service Control Valves  
Steam Conditioning Valves and Desuperheaters  
Turbine Bypass Valves  
Atmospheric Vent Valves

Control Valves  
Eccentric Rotary Plug Valves  
V-Ball Control Valves

Automatic Pump Protection Valves

General Service Butterfly Valves  
High Performance & Triple Offset Butterfly Valves

Ball Valves  
Rack & Pinion Pneumatic Actuators

Ball and Knife Gate Valves

## Actuators and Damper Drives

Electric Actuators  
Gear Boxes  
Custom Actuation of Valves and Sluice Gates  
Factory Authorized Service

High Cycle Rotary Vane Actuators  
Damper Drives  
"Drop In Place" Replacements  
Electro Hydraulic

## Field Instrumentation and Analytical

Pressure, Temperature, Flow and Level Transmitters  
Valve Positioners  
Controllers  
Wireless Solutions  
Ethernet, HART, Profibus Communications  
Simatic PDM Process Device Manager Software

Continuous Emissions Monitoring Systems - CEMS  
24/7 Field & Shop Services: all manufacturers

Direct Replacement pH Sensors  
Custom pH sensor solutions  
pH Transmitters

Pulp and Paper Consistency Control  
Wet End High Performance Solutions  
Brightness & Residual Sensors  
Retention, Ash, Tray & Wet End Management

## Safety Valve Repair and Certification

Dresser **Consolidated Green Tag Center** – Audited Annually  
Factory Trained Technicians – Certified Annually  
"VR" Program – Approved and audited by National Board of Boiler Inspectors  
Online, in-place Safety Valve electronic setpoint verification capability  
Complete Inventory of Safety and Relief Valves; and Spare Parts  
Access to OEM Critical Data and Information  
Web based **ValvKeep** Maintenance Database

Authorized Service and Repair  
Setting the Standard Since 1982

Valve Management and Maintenance Software

## Line (Gate Globe & Check) and Control Valve Rebuilding

Authorized Repair Shop for **Velan** Valves  
Factory Trained Technicians  
Authorized Repair - **HP VALVES**

## Valve Actuator Repair and Service

**Limitorque** Authorized "Blue Ribbon" Service Center  
OEM Replacement Parts and Actuators – access to the "largest inventory anywhere"  
Factory Trained Technicians  
Web based **ValvKeep** Maintenance Database  
On-Site, and Online, Training Programs
